

about alterna

1997. An alternative vision born in salons: premium hair products free of additives or harsh ingredients. And a revolution in haircare was born...Alterna.

A trailblazer in the world of luxury haircare and styling, Alterna has always been about purity and innovation inspired by skincare science. With an unwavering commitment to creating products that transform hair after one use, every detail is uncompromised. No more choosing between natural ingredients and high-performance results. Exquisite formulas with clinically proven results made with pure, sustainable ingredients like caviar, sea silk, bamboo and kendal oil.

Purity plus power, transformation without trade-offs. It's the alternative approach to high-performance haircare and styling, and the brand embraced by uncompromising consumers and professionals around the world.
