tbh

## tbh craft colorist conversations

authenticity is more than a trend. it is a lifestyle. a mindset. a movement. inspired by a deep longing for self expression and authenticity, we reinvent hair color as its known today

### EXPERIENCE INCLUDES:

- authentic hair color concept
- in depth product overview

Our 1st multi-dimensional, permanent coloration that is inspired by a new generation of clients with a longing for self-expression and a demand for authenticity within beauty.

It's tbh - true. beautiful. honest
