WINDSOR BEAUTY

For centuries, Saffron, Pistachio and Rose has been used by Persians in their beauty rituals. Saffron, a spice worth more than its weight in gold, is used to strengthen hair. Pistachio nourishes and moisturizes, while smoothing and adding bounce. Rose, adored in Persian poetry and art, has long been used to improve the health of hair and add shine. Using modern chemistry, we have combined these ingredients to help hair reach its maximum potential.

## Benefits of Joon

- Detangles
- Defrizzes
- Moisturizes
- Adds Shine
- Nourishes
- Offers Heat Protection
