

SUNLIGHTS® *balayage*

Meet the world's first Kaolin Based Foil Lightener

First came the SUN(lights) and then came the MOON(lights)! Moonlights™ Kaolin Based Foil Lightener is the industry's first ever foil specific lightener made with clay! Using our Kaolights Kaolin Clay Technology™ we're giving stylists everywhere an overall better highlighting experience using our line up of lighteners.

The Kaolin Advantage

What makes Moonlights™ so special? Our proprietary lighteners use the power of clay for a superior highlighting experience.

- Creamy consistency
- Ultra moisturizing
- Protects and conditions
- Smooth application
- Powerful lifting
- Professional results
