BENEFITS

- + Stardust Magic Grey Eraser is a powerful way to cover resistant grey hair while adding depth and vibrancy to any copper, red, brown, or dark brown color service. (Not recommended for blondes!) Specially formulated to help pigment penetrate deeper into the cortex of the hair, Stardust Magic Grey Eraser adds highly concentrated red and yellow pigment to a stylist's color formulation in order to "pre-fill" the hair strand and lock-in color.
- + Increases grey coverage for even the most resistant grey hair.
- + Extends the longevity of hair color while at the same time preventing colors from fading.
- + Does not increase processing time
- + Compatible with most color lines.

DIRECTIONS

Add 10 drops of Stardust Magic Grey Eraser for every ounce of color. Will not affect processing time. (Do NOT add extra developer! Not recommended for blondes!)

Stardust Magic Grey Eraser can also be added to any shampoo or conditioner in order to maintain color and warmth on Copper or Red hair. Mix 10 drops of Stardust Magic Grey Eraser with 1oz of shampoo or conditioner, apply to hair, and allow to sit for 3-8 minutes.
